

An Informative Full-day Seminar:

Fireworks

Safety For Fire Departments

1 Who Should Attend . . .

This program is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about liability and workers' compensation costs
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work
- ▶ Business owners who want to learn about compliance with MIOsha

2 Why You Need This Seminar . . .

- ▶ To reduce disabling injuries and illnesses to employees - and to ensure that every worker goes home safe and healthy every day.
- ▶ To reduce the high direct costs of work-related injuries, which grew to \$42.5 billion nationally in 2000, and indirect costs, which were estimated at an additional \$127 - \$212 billion in 2002. (*2003 Liberty Mutual Safety Index.*)
- ▶ To enhance your company's bottom line. A strong safety and health commitment not only protects workers, it also reduces worker's compensation costs, improves employee morale, and increases production and quality.

3 What You'll Learn . . .

This one day seminar is only offered once this year in Bay City, Michigan. The seminar will have presenters from around the state and out of state. The purpose of the seminar is to provide the student with the knowledge and skills to inspect firework displays in their community assuring compliance with all state and federal laws that impact the fire service and the community while ensuring the safety of both the fire service and the audience that comes to view such wonderful celebrations. Those attending this seminar will earn 6 CEU's from the Office of Fire Safety.
